

Millennials are focused on a *career for me*, paving their own path and developing the skills to ensure employment security. Managing others is low on their list; money and purpose matter much more. It is time to rethink people practices to attract, retain and develop the next generation of leaders.

# **BEING THE BOSS IS A LOW PRIORITY**

## **MEN ASPIRE TO LEAD MORE THAN WOMEN**

## MY SKILLS, MY CAREER

Millennials are focused on developing their individual skills, rather than learning to manage and lead others.

Individual Skills 64%

#### Managerial Skills

- Leadership: 22%
- People management: **14%**

#### **Individual Skills**

- Technical job skills: **15%**
- Personal skills / Teamwork / Communication: 19%
- IT/Technology: 30%

# PLEASED, BUT NOT SATISFIED...

Three-quarters of Millennials are **pleased with how** they are being managed... however, most Millennials rank their own people management style more positively than their managers'.

I'm good at	My manager is good at	
74%	Listening	48%
70%	Offering feedback	44%
64%	Giving encouragement	43%
